# Mulberry & Ginger Mask

## PRODUCT OVERVIEW

**Key Ingredients:** Turmeric Extract 2.5% + White Mulberry 2% + Ginger Oil Fragrance

**Benefits :** This mild mask combines turmeric with White Mulberry to make the skin softer and brighter. White Mulberry has brightening and lightening properties that help your skin attain a brighter and more even complexion while turmeric repairs and reduce sebum production. The result is a glow and healthy-looking skin.

**Direction for use:** Cleanse and tone your face with our Turmeric Cleanser and Scrub. Then apply a visible layer of the masque onto clean skin. Allow the masque to dry for 5-10 minutes. Rinse with warm water and massage skin in a gentle, circular motion. Pat dry with a soft towel. Then follow your normal skincare routine. Recommended for use up to three times per week.

## CLAIMS

- Brightening. Works as an "instant facial" to bright and energize the look of dull, fatigued skin.
- Helps skin regain its natural, healthy appearance and results in skin looking fresh.
- This invigorating formulation helps to even the look of skin tone for smoother, brighter, illuminated complexion.

PRODUCT OVERVIEW

S.O.S Conditioner

**Key Ingredients :** 1% Caffeine + 1% Sphingony + 1% Betaine + 1% WLM Benz

**Benefits :** Take care of color-treated or damaged hair with this nourishing formula that treats dry hair while protecting color vibrancy. Gentle enough for virgin hair, but strong enough to nurture damaged hair, this conditioner works to soften and detangle while extending color. Enriched with Caffeine, the conditioner helps to strengthen the root to encourage healthy hair growth, and uses moisturizing agents, including Betaine and WLM BENZ to support scalp health and strength while Sphingony support the natural hair cycle. The replenishing formula aims to visibly increase hair density, fortifying individual strands to encouraging softer, stronger, thicker locks.

**Direction for use:** Apply to wet hair and gently work into a rich lather. Leave from 2 to 3 minutes, then rinse. Repeat as needed.

CLAIMS

- Helps to improve the look and feel of the hair and scalp.
- Locks in vital nutrients to support hair against environmental factors.
- Hair feels soft and conditioned with improved manageability.
- Nourish and strengthen your hair to promote a healthy-looking appearance.
- Support replenishing the scalp, roots and lengths for healthier hair.
